

Product Change Notice – PCN-IEV-2401-00

Delta Energy Systems GmbH, Tscheulinstr. 21, 79241 Teningen, Germany

To better serve our customers, Delta has updated the 1kW Wireless Charging System.

This notice is to inform you of a change that will be made to the 1kW wireless charging products you may have purchased in the last two years. The US and EU variants of the Wireless Primary Unit units are no longer two separate part numbers but will now be sold with an AC input connector to make the relevant country adaption.

Further the color and the branding will change from blue to black and from Delta logo to MOOV^{air} 01 branding.

PCN Title: 1kW wireless charging system design change

Publication Date: 20-December-2024

Effective Implementation Date: 01-January-2025

Earliest Possible Order Date: 01-January-2025

Revision Description: Initial Release

Description Of Change: Please refer to the table below for detailed information on the change

Reason For Change: Improvement of IP rating of AC input connector and branding change

Summary Of Supporting Information: Changes will be reflected in Product Data Flyer, User Manual and drawings
