

# Delta Smart Connected Campus Solutions

# Smart Connected Campus

Unified Through Integrations | No Added Complexities

**SCADA + BMS**  
(Central Systems)

**Smart Environments**  
(Classroom, Labs, Libraries, etc.)

**Unified Campus**  
(Intelligent Operations)

## Centralized Facility Systems

- High-reliability SCADA supporting
- Seamless BAS integration & open protocols
- Open, standards-based platform options

## Smart Solution Integrations

Technology-enabled learning environments that improve comfort, engagement, & efficiency.

- Smart Classroom Solution
- Centric Lighting Solution

## Connected Campus

## Deliver Measurable Results

- ✓ Lower energy & operational costs
- ✓ Faster response to maintenance & security issues
- ✓ Improved occupant comfort, safety, & learning environments
- ✓ A future-ready campus that scales w/o cost penalties

## Built on the Right Foundation

- ✓ **Open architecture** flexible, standards-based integration
- ✓ **Subscription-free software** – no recurring platform fees
- ✓ **Campus-wide scalability** – expand w/o system limitations
- ✓ **Non-proprietary solutions** – avoid vendor lock-in

**Ready to future-proof your campus?**

Let's discuss how Delta can support your next facility upgrade.
