

Terms of Purchase Order

1. The Terms of Purchase Order (the "Terms") constitute a part of this purchase order ("Order") and govern transactions shown on the Order. Vendor shall within two (2) business days upon its receipt respond to the issuer of Order ("Buyer") of its acceptance or refusal. Vendor's silence within the said period will be deemed a consent to the Order. The Order shall not be modified, amended or terminated without a written confirmation by the parties' authorized representatives except that Buyer may revise, withdraw or cancel in whole or in part before Vendor's acceptance or by sending a seven (7) days' prior notice to Vendor.
2. All invoices shall be submitted to Buyer for review within a hundred and eighty (180) days after the completion of shipment. The payment of invoices submitted later than the said period will be considered waived by Vendor. Buyer shall be entitled to hold any payment in dispute and offset from Vendor's invoice any indebtedness of Vendor or Vendor's affiliates to Buyer or Buyer's affiliates whether due, payable, related to the Order or not. Vendor agrees that the price stated on the Order shall not be less favorable than the price it offers to other customer for the same or similar products in similar quantity.
3. Time is the essence of the Order. Regardless what delivery term the parties may agree, Vendor shall be the exporter and importer of all shipping documents and obligated to all related custom duties, taxes and government fees. In the event Vendor fails to deliver punctually, Buyer may charge Vendor a penalty at the rate of 0.3% of Order price per day until the completion of delivery, and shall be entitled to at its sole discretion request Vendor to use a premium and more expeditious method of transportation at Vendor's costs, cancel Orders in whole or in part with immediate effects without any liability, or procure the same product or equivalent replacements from a third party at Vendor's sole costs. For avoidance of doubt, Buyer shall still be entitled to any compensations or remedies hereof or provided by laws.

In case the product is not in conformance to above warranties, Vendor shall at Buyer's sole discretion and without limiting Buyer's remedies in laws or equity: (a) replace or rework the non-conforming product at Vendor's sole cost; (b) accept Buyer's request to return the product for full refund, within three (3) days upon Buyer's determination. Notwithstanding the foregoing, Buyer may choose to take actions as may be required to rectify all non-conformities in which event all related costs and expenses shall be for Vendor's account. Vendor's warranties shall survive inspection, acceptance and payment and shall be in addition to any warranties of Vendor whether express, statutory or implied.
6. Buyer retains the ownership of the designs, know-how and any other intellectual property of products to the extent customized by Vendor for Buyer. Vendor agrees that Buyer is granted a license, on a non-exclusive, fully paid-up, sub-licensable, perpetual and worldwide basis, under any and all intellectual properties Vendor owns or controls, to make, have made, use, sell, offer for sale, import and export the products or the goods similar to products.
