

Delta Electronics, Inc. Introduction of the 18th term of the Board of Directors

The Board of Directors of the Company is made up of 11 directors including 4 Independent Directors with the tenure of 3 years. The election of the Board of Directors adopts the candidate nomination system stated in Article 192-1 of the Company Act. The Directors are elected from a list of candidates through the shareholders' meeting. The Board of Directors shall convene at least once quarterly, and may call a meeting at its discretion whenever necessary. The chairman of the Company leads the Board of Directors in implementing a

good Board governance mechanism, improving supervision and strengthening its management function. Please refer to "the implementation of corporate governance" disclosed on the Company's website for the information of the Board of Directors' professional background.
