

Delta Electronics, Inc. Introduction of the 4th term of the Audit Committee

The Company established an Audit Committee that is composed of the entire number of independent directors pursuant to the acts. The Audit Committee shall convene at least once quarterly, and may call a meeting at its discretion whenever necessary.

The Audit Committee is responsible for supervising the fair presentation of the Company's financial statements, the selection and termination of the independent auditor and its independence and performance, the effectiveness of the Company's internal control, the Company's compliance with relevant laws and regulations and the Company's existing or potential risks. The independent directors review the results of internal audit department on a monthly basis, and the chief internal auditor reports to the Audit Committee and directors on major findings in meetings of Audit Committee and meetings of Board of Directors. Furthermore, the Audit Committee individually communicates with chief internal auditor at least once a quarter about major audit findings, and individually communicates with CPA about their auditing and reviewing the Company's consolidated financial statements (including parent company only financial statement annually). The relevant information including material items and results is disclosed on the Company's website "Communication between Independent Directors, the Chief Internal Auditors and CPAs."
