			<p>whistleblowing system were revised based on practical and operational needs.</p> <p>Reporting via email for employees and other stakeholders: HR.GRIEVANCE@deltaww.com; HR885@deltaww.com</p> <p>Reporting via email for suppliers: 885@deltaww.com</p> <p>Policies mentioned above can be found in the Human Resources section of the Company's internal website or the Corporate Governance section under Investors of the Company website.</p>	
<p>2. Implementation of ethical corporate management</p> <p>(1) Does the Company evaluate business partners' ethical records and include ethics-related clauses in business contracts?</p>	√		<p>The Company adequately implements integrity record assessment of its business partners.</p> <ul style="list-style-type: none"> ● The Delta Group Code of Conduct clearly regulates the following principles: <ul style="list-style-type: none"> a. Before establishing business relationships with others, the Company shall evaluate the legitimacy, integrity, and operational policy of the other entities, and whether there are any records of dishonesty, to ensure that the business operations of such entities promote integrity as well as transparency, and will not demand, offer or receive bribes. b. When the Company interacts with others, it should fully understand the status of the other party's ethical corporate management, and strive to incorporate the principle of integrity into the contract. If any party's business activities involve dishonesty, it should immediately inform and cooperate with the investigation, and the other party may unconditionally terminate or cancel the contract at any time. ● Using the Delta Supplier Code of Conduct as an important guideline, the Company adequately implements ethical corporate management in supply chain management: <ul style="list-style-type: none"> a. In addition to product liability and confidentiality clauses, the procurement contract has also incorporated clauses in the Supplier Code of Conduct-Responsible Business Alliance Code of Conduct aspects, environmental protection, conflict minerals, fair competition and antitrust, etc. b. Hierarchical management of continuously trading suppliers is carried out, and regular supplier ESG questionnaires are conducted to investigate their potential risks in labor, health and safety, environment, integrity and ethics, and management systems, and identify high-risk suppliers for systematic tracking, auditing and requirements for improvement. Evaluation Items	Implementation Status			Deviations from the Ethical Corporate Management Best Practice Principles for TWSE/ TPEX Listed Companies and Reason(s)
	Yes	No	Summary	
(2) Does the Company have a unit responsible for ethical corporate management on a full-time basis under the Board of Directors which reports the ethical corporate management policy and programs against unethical conduct regularly (at least once a year) to the Board of Directors while overseeing such operations?	√		In order to improve the ethical corporate management, the Company established the Ethical Management Committee as a dedicated unit to promote the ethical corporate management of the Company, as approved by resolution of the Board of Directors on October 27, 2022. The Ethical Management Committee shall report to the Board of Directors annually on the Ethical management policy, the unethical behavior prevention scheme, and its implementation status. On February 22, 2023, the Ethical Management Committee reported to the Board of Directors on the implementation of the Company's ethical corporate management policy in year 2022.	
(3) Does the Company establish policies to prevent conflicts of interest and provide appropriate communication channels, and implement it?	√		<ul style="list-style-type: none"> ● In order to prevent conflicts of interest, the Company has formulated the Delta Group Code of Conduct to identify, monitor and manage the risks of dishonest behaviors that may result from conflicts of interest. The regulations expressly stipulate that Delta members should avoid conflicts of interest related to their positions, and shall not engage in any business, investment or activities that may conflict with the interests of Delta Group. In addition, appropriate channels are provided internally for directors, managers and other stakeholders to voluntarily declare whether they have a potential conflict of interest with the Company. ● Article 15 of the Rules and Procedures of the Meeting of the Board of Directors and Article 31 of the Corporate Governance Best Practice Principles state the regulations of directors' conflicts of interest and the strict prohibition of improper channeling of profits between the Company's stakeholders and shareholders. ● The operations of related party transactions, insider trading and the mechanisms for handling and disclosure of material inside information are regulated respectively in the Internal Control Procedures for Related Party Transactions, the Control Procedures for Preventing Insider Trading, and the Procedures for Handling Material Inside Information. ● In order to implement the code of conduct to avoid conflict of interest, each new employee is required to make a conflict of interest declaration upon reporting to work, and existing employees are reminded to make the declaration in the annual announcement. 164 employees completed the declaration voluntarily in 2022 (162 employees declared the names of their friends and relatives inside the company, and 2 employees reported their own or their relatives' participation in the Company's business transactions).

(4) Does the Company have effective accounting and internal control systems in place to implement ethical corporate management? Does the internal audit unit follow the results of unethical conduct risk assessments accordingly to prevent unethical conduct, or hire outside CPAs to perform the audits?	√		<p>If a conflict of interest relationship is not reported in accordance with the Company's regulations, the Company will impose penalties in accordance with the Regulations on Reward and Punishment depending on the severity of the situation.</p> <ul style="list-style-type: none"> ● The financial reports of the Company are prepared in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, interpretations, and the announcements of the interpretations approved by the Financial Supervisory Commission. ● The design and effectiveness of implementation of the internal controls of the Company is determined based on the Regulations Governing Establishment of Internal Control System by Public Companies and is supported by a self-monitoring mechanism. Internal auditors regularly inspect the compliance with the internal control system, including its adherence to measures preventing unethical conduct. Through self-evaluation procedures, we ensure the effectiveness of our internal control systems, which serves as the basis for issuing the Internal Control System Statement. ● The Company's 2022 audit plan, assessment of the effectiveness of the internal control systems, and Internal Control System Statement were submitted to the Board of Directors for approval on October 28, 2021, and February 22, 2023, respectively. The 2023 audit plan was submitted to the Board of Directors for approval on October 27, 2022. Meanwhile, the assessment of the effectiveness of the internal control systems and the Internal Control System Statement for the fiscal year 2023 will be submitted for approval by the Board of Directors in 2024. 	
(5) Does the Company regularly hold internal and external educational trainings on ethical corporate management?	√		<p>The Company's HR Department arrange relevant trainings to promote the implementation of ethical corporate management:</p> <ul style="list-style-type: none"> ● New employees are required to participate in the orientation training for newcomers related to ethical corporate management. All employees return to the ethical corporate management/code of conduct/human rights policy advocacy course through our online education platform every year, including explanations on the prohibition of insider trading and internal material information handling procedures, etc. The Company also holds physical ethical corporate management courses from time to time. In 2022, a total of 82,007 people in the Delta Group around the globe participated in online training courses related to the topics mentioned above with a training completion rate of 97.0%.

	Yes	No	Summary	
			<ul style="list-style-type: none"> Regularly review and adjust the content of the training courses to strengthen the advocacy of preventing dishonest behavior. In 2022, the online course "Anti-Corruption and Trade Secrets" was conducted for supervisors to enhance the understanding of the regulations of insider trading and criminal liability under Section 157-1 of the Securities and Exchange Act to prevent dishonest acts in order to strengthen the awareness for dishonest behavior with practical cases. The Company's advocacy efforts related to ethical corporate management operations include: listing honesty and integrity as a value and ability assessment item in employee performance evaluation, publishing an annual announcement on the regulations of conflict of interest recusal and reminding colleagues to take the initiative to fill in the declaration form, and conducting ethical corporate management risk assessment with each unit every year. For suppliers, the Company refers to the Responsible Business Alliance Code of Conduct as the main framework, and pushes the suppliers to practice sustainable development in major aspects such as labor, occupational safety and health, environment, ethics and management systems. Based on the Delta Supplier Code of Conduct, education and training materials are provided and supplier's commitment to integrity are signed. 	
<p>3. Operation of the whistle-blowing system of the Company</p> <p>(1) Does the Company establish both a practical reward and whistle-blowing systems, integrity hotline and appropriate personnel in charge to the reported object?</p>	√		<p>The Delta Group Code of Conduct and the Delta Group Management Measures of the Whistle-blowing System stipulate the set up of a reporting channel for employees, suppliers, and other external stakeholders. Managed by designated personnel, the reporting system is for reporting matters or violations against human rights, behavior principles, or ethical corporate management principles. In addition to reporting to the head of the unit in which the member belongs to, as well as to the head of the Audit Department, head of the HR Department or head of the Legal/IP Department, a report can also be sent through the Company's local email address. If any whistle-blowing case is confirmed true and has made a significant contribution or resulted in significant financial benefits, the whistle-blower will be rewarded appropriately.</p> <p>Reporting via email for employees and other stakeholders: HR.GRIEVANCE@deltaww.com ; HR885@deltaww.com</p> <p>Reporting via email for suppliers: 885@deltaww.com</p>	Compliant with Ethical Corporate Management Best Practice Principles for TWSE/ TPEX Listed Companies

(2) Does the Company have in place standard operating procedures for investigating accusation cases, as well as follow-up actions and relevant post-investigation confidentiality measures?	√		<p>The Delta Group Management Measures of the Whistle-blowing System stipulates the following procedures:</p> <ul style="list-style-type: none"> ● The whistle-blower or his/her agent shall submit a compliant in writing or verbally with specific fact and sufficient information of the alleged behavior or incidents against human rights, behavior principles or ethical corporate management. Delta members may choose to remain anonymous when reporting a violation of another member. However, the Company encourages Delta members to provide their identity when making a report to facilitate communication and investigation. ● The whistle-blowing case shall be closed within one month and may be extended for one month if necessary. In the conclusion of the case, the whistle-blower shall be replied to through the "Reply Form for Whistle-blowing Event", unless the whistle-blower does not provide any contact information nor respond. If the whistle-blower is not satisfied with the resolution, he or she may fill out the "Record Form of Whistle-blowing Event" within 10 days from the date of receiving the reply and provide new reasons and new evidence with facts. The case shall then be handled by another handling unit rather than the first handling unit, which would be designated by the CEO of the Company. Only one application for reconsideration is allowed. ● The Company will handle any whistle-blowing case confirmed by investigation in accordance with laws and related disciplinary regulations of the Company. If any material violation is identified or is likely to cause serious damage to the Company, the handling unit shall report the case to the Audit Committee. ● The parties involved in the whistle-blower case and related personnel responsible for handling the case are obliged to keep it confidential and prevent the whistle-blower from being treated unfairly, retaliated against or threatened. Violators shall be punished in accordance with the company's disciplinary regulations. 	
(3) Does the Company take measures to protect whistle-blowers from being mistreated due to whistleblowing?	√		<p>The Delta Group Code of Conduct and the Delta Group Management Measures of the Whistle-blowing System expressly stipulate that the whistle-blower may choose to remain anonymous. The handling unit will keep the whistle-blower information strictly confidential, and will only disclose it to specific persons to meet investigation needs. Meanwhile, reasonable preventive and protective measures will be applied to protect the whistle-blower from revenge or mistreatment.</p>
